

Dawson City Music Festival

Media Pass Application

Page 1 of 2

DCMF MEDIA POLICY (PLEASE READ BEFORE FILLING OUT THIS PASS APPLICATION!)

Dawson City Music Festival is happy to provide complimentary weekend passes to members of **recognized media outlets** with concrete plans for **significant coverage**.

There is no special “media pass” category of admission. You will be subject to the same regulations as any other audience member. Your complimentary pass does not entitle you to backstage access, and does not guarantee you a seat in venues that are at capacity.

Arrangements for interviews with performers must be made through artist management. DCMF is happy to facilitate these connections. Please do not arrive and expect to be able to interview headlining artists on the spot without advance scheduling.

In order to protect copyrighted material, any recording or rebroadcast of performance materials must be approved by both DCMF and by the artists represented.

Please send all final media coverage to info@dcmf.com upon publication for our files.

DCMF PHOTOGRAPHY POLICY

The DCMF mainstage tent is small and crowded. Accredited media can take photographs from in front of our security barricade, **subject to the discretion of our security**. They may do so only for **the first two songs of each set**. Photographers may be requested to relocate at security discretion if they are interrupting traffic flows.

PASS APPLICATION

The deadline for media accreditation is June 30th. Please pick up your pass at the DCMF Info Booth. Don't hesitate to contact the DCMF Office with questions or concerns.
